Normandale Community College — Bloomington, MN
Certificate in Data Analysis — *August, 2020*

University of Minnesota Duluth — Duluth, MN
Bachelor of Applied Science, Communication Sciences and Disorders — *December 2015*

EXPERIENCE

The Lovaas Institute Midwest — Dec 2018 – Dec 2020
Senior Behavior Therapist — *Minneapolis, MN*
- Analyzed data weekly using Microsoft Excel to evaluate effectiveness of therapy.
- Provided supervision and training to 5-6 behavior therapists to ensure consistent, high-quality delivery of services.
- Processed behavioral data using visual straightforward graphics to present to clients and team members.
- Assisted in design and development of treatment objectives that helped to achieve positive outcomes for clients by accelerating developmental milestones with the goal being to acquire 1.7 months of development each month in multiple areas to allow them to reach kindergarten at the same time as their peers.
- Awarded outstanding team member for dedication to clients and reliability.

Behavior Therapist — *Apr 2016 - Dec 2018*
- Collected and analyzed session data to aid in treatment planning and assessment.
- Implemented behavioral intervention plans created by clinical supervisors.

Student Experience — Feb 2014 – Feb 2016
Lead Personal Care Assistant — *Duluth, MN*
- Provided care to adults and children with differing cognitive and physical disorders.
- Selected to act as intermediary between client and company.

PROJECTS

Gin | *Mongo, Express, React, Node.js, bcrypt, Bootstrap, socket.io* — May 2021
- Developed an online rummy game with a team using the MERN stack.
- My roles included server-side routing, login, and front-end collaboration for the option and statistic pages.
- https://ancient-reaches-71318.herokuapp.com/

User Directory *React, HTML, CSS, Random User API* — May 2021
- Programmed an app using React that allows a user to view an entire employee directory with a search function that allows them to quickly access to employee information.
- https://kelseysanderson.github.io/user_directory/

Tech Blog | *Javascript, Node.js, Express, Sequelize, Handlebars, CSS, Bootstrap, MySQL, Git* — April 2021
- Created a A CMS-style blog site, where developers can publish their blog posts and comment on other developers' posts as well. This application uses the MVC organizational system.
- Developed routes using express and stored user info and input in a MySQL database using sequelize.
- https://radiant-plains-87467.herokuapp.com/
